[5 marks]

4. Translate the following text in your first language. Compare the translated text with English and comment on 10 differences in the two languages. Also, comment on the translating challenges.

[14 marks]

"I have some good news to share with you. My sister, ^{she} who is younger than Radha, is getting married first. You have to come for the wedding. Okay? ^{am} I am very happy. I like weddings because I can make my mother buy nice clothes ^{new} for me. The groom is from Delhi. He may come soon to Hyderabad on some office work. His uncle told Daddy that he will make him visit us definitely at my grandmother's house in Chanda Nagar when he comes."
